

# SPROUT LEARNING BACKPACKS

## AVAILABLE FOR TODDLERS AND PRESCHOOLERS

The North Branford Libraries have added Sprout Early Literacy Backpacks to our children's collections!

Each themed backpack includes books and activities with easy-to-follow activity guides that make learning fun! The activity guides provide easy-to-follow instructions along with tips for in-home connections and a variety of ideas to stimulate conversation that support learning. All materials are developmentally appropriate for young children and reinforce early literacy concepts.

**COME IN TO CHECK THEM OUT!**

\*Backpacks are available for 21 day checkouts. Please return only to one of the North Branford Libraries.
